

## **Primary Function**

The primary goal of the Head Coach is to provide a positive learning environment so the players return to play football the following year through their freshman year in high school.

## **Scope of Responsibility**

- All the responsibilities of an Assistant Coach
- Consult with coaches from Franklin High School about
  - Drills for youth players
  - Position & play naming terminology
  - Use of school facilities & equipment
- Run pre-season coaches meetings for your team to assign responsibilities & coordinate the multiple facets of the game
  - Blocking schemes
  - Defensive alignments
  - Offensive formations
- Attend the annual "Rules" League meeting prior to the start of practice
- Highly organized to plan, in advance, the running of practices from August-October
  - Weekly practice schedule due to VP-Football Operations, prior to the start of August practice
  - Delegate responsibilities to Assistant Coaches as needed
  - Teaching football in simple terms from basics to advanced
- Self confidence with a positive approach to dealing with possible issues from:
  - Assistant Coaches
  - Parents
  - Referees
  - Visiting Teams
  - FYF Board Members
  - League Officials
- Ensure player equipment is properly fitted & well maintained
- Plan & execute player rotation during games, appropriate for the grad level being coached
- Enlist player parents for volunteer opportunities with FYF

## **Education/Knowledge/Skills**

- Must have extensive knowledge of football
- Must enjoy working with children of all ages & abilities
- Must be able to communicate with players & parents in a positive manner

## **Performance Measures**

- To execute the vision of the FYF program as outlined by the Board of Directors
- To instruct athletes in individual & team fundamentals, strategy & physical training necessary for them to realize a degree of individual & team success
